

ORDINANCE NO. 552, 1994

Establishing an ordinance exempting Clallam County from the prohibition of Subsection (4) RCW 9.41.050 as permitted under Subsection (6) thereof.

BE IT ORDAINED BY THE BOARD OF CLALLAM COUNTY COMMISSIONERS:

Chapter 15.17

Firearms, Exemption from RCW 9.41.050 (4).

Sections:

15.17.010 Purpose  
15.17.020 Exemption from RCW 9.41.050 (4)  
15.17.030 Effective

C.C.C. 15.17.010. Purpose. Clallam County is a jurisdiction where hunting, fishing and other outdoor recreational pursuits are popular and an integral part of our culture and economy. Shooting is an important component of outdoor recreation in Clallam County. Hunting and target rifles have been carried responsibly and openly by our citizens on rifle racks for many years and the Commissioners find no reason why this practice should not continue. RCW 9.41.050 has been amended by ESHB 2319, adding a Subsection (4) to prohibit the carrying of rifles openly in a vehicle, which would end this common practice. A new subsection (6) of RCW 9.41.050 empowers the Clallam County Commissioners to exempt Clallam County from the prohibition set forth in Subsection (4) of RCW 9.41.050.

C.C.C. 15.17.020. Exemption from RCW 9.41.050 (4). The jurisdiction of Clallam County is and shall be exempt from the prohibitions set forth in Subsection (4) of RCW 9.41.050 as presently enacted and as may be hereafter modified or recodified. This exemption is enacted pursuant to RCW 9.41.050 Subsection (6).

C.C.C. 15.17.030. Effective. This ordinance shall be effective immediately upon approval of the Board of Commissioners.

ADOPTED THIS 12<sup>th</sup> day of July, 1994.
